

KINGDOM OF SAUDI ARABIA EDITION

# Cutting Edge

Sarah Cunningham, Peter Moor,  
Jonathan Bygrave, Araminta Crace

The leading Pearson English language resource, Cutting Edge, has been adapted especially for learners and educators in Saudi Arabia. This is the newest release of the best-selling general English programme, fully tailored to meet the cultural and educational needs of Saudi Arabian learners.

To discover how Cutting Edge,  
KSA Edition can transform your teaching  
or learning experience visit  
[www.pearsonmiddleeastawe.com/ELT](http://www.pearsonmiddleeastawe.com/ELT) today.

Developed by a team of ELT experts in conjunction with Saudi Arabian advisors, this acclaimed resource features:

- Culturally appropriate content with a strong Saudi Arabian focus, approved by KSA educators.
- Arab world topics and examples.
- A fresh 21st century approach to learning, including a task-based methodology.
- Integrated skills for modern Saudi classrooms: listening, reading, speaking, writing, grammar, pronunciation and vocabulary.

Cutting Edge, KSA Edition embraces student-centred learning through:

- **LANGUAGE LIVE** spreads, including brand new, culturally suitable audio pieces that bring language learning to life.
- **WORLD CULTURE CLIPS**: Authentic, culturally safe documentaries providing a local and international perspective on unit topics.
- **CAN DO STATEMENTS** at the end of each chapter to encourage uptake of key language points.

This resource covers four levels, Starter, Elementary, Pre-Intermediate and Intermediate. Each level comes with:

- Student Book.
- Student Workbook.
- Teacher Resource Book, including teacher notes.
- Teacher DVD-ROM, including class audio, video clips, mini dictionary, tests and worksheets.
- Digital Components.

Fully aligned with the Common European Framework of Reference for Languages (CEFR) and Global Scale of English (GSE), plus clear CEFR benchmarking and signposting.
